ABOUT ME

I am a dedicated and experienced Obstetrician & Gynaecologist with over 30 years of clinical expertise. My work encompasses a broad spectrum of womens' health ranging from high risk pregnancies to complex minimally access surgeries. I am also the founder of the endometriosis support group in Fortis hospitals. I have a strong commitment to delivering evidence based, patient- centric treatment and I strive to provide compassionate care that addresses both the physical and emotional well-being of women at every stage of life.

WORK EXPERIENCE

FORTIS HOSPITAL, BANGALORE — **2006 – PRESENT**

Senior Consultant & Additional Director, Dept of OBGYN

- Successfully conducted over 10.000 deliveries encompassing normal, high risk & complex obstetric cases
- Has performed several laparoscopic & robotic gynaecological surgeries as a primary surgeon
- Actively involved in developing and implementing clinical protocols, quality benchmarks & infection control practices
- Participated in NABH accreditation process

SEVAKSHETRA HOSPITAL, BANGALORE — **1999–2006**

Consultant , Dept of OBGYN

- Served a diverse patient population with limited access to specialized medical care which was instrumental in shaping my clinical foundation.
- Managed a wide range of obstetric & gynaecological cases in resource limited settings which enhanced my diagnostic skills, adaptability & decision making under pressure.

KIMS HOSPITAL & MEDICAL COLLEGE, BANGALORE — **1996–1998**

Senior Registrar, Dept of OBGYN

- Independently managed deliveries including high risk & emergency obstetric cases.
- Gained proficiency in performing gynaecological surgeries.
- Partcipated in academic activities & teaching sessions.

KIDWAI MEMORIAL INSTITUTE OF ONCOLOGY, BANGALORE — **1995–1996**

Senior Resident, Dept of OBGYN

- Gained specialized experience in the diagnosis, staging & management of gynaecological malignancies.
- Working in a multidisciplinary team alongside surgical, medical & radiation oncologists enhanced my understanding of comprehensive cancer care.

GUNASHEELA INSTITUTE OF RESEARCH & REPRODUCTION, BANGALORE — **1994–1995**

Senior Resident, Dept of OBGYN

- Gained focussed training in infertility management & assisted reproductive techniques; working closely with experts in reproductive medicine.
